CONSTITUTION

AAAHP (Formerly ASAPO) Constitution

Modified by Ray Murtagh AAAHP Registrar 2023

22.1 No one region shall hold the National conference for Two years after holding said conference.

Venues include;

But not limited to

Sydney

Melbourne

Brisbane

Perth

22.2 A Conference Committee is formed by the following , AAAHP Treasurer , AAAHP Registrar plus the 2 AAAHP reps from host state along with 5 other volunteers. The Conference MOU outlays the duties of each group.. The Executive Committee of AAAHP has sole rights to accept or reject any payment at any stage. The AAAHP committee has sole rights to accept or reject chosen venues.

22.3 Correspondence for the purposes of an AAAHP Conference and Trade Display shall be distributed on AAAHP letterhead. Copies of this to be held by host state and copies to be sent to the Secretary.

22.4 All funds received, by whatever means (sponsorships and delegates) for this conference shall be paid into AAAHP general account. A receipt shall be issued for all funds received.

22.5 All debts or accounts payable shall be paid upon the receipt of an invoice or written request for payment from the AAAHP general account. Method of payment shall be by cheque account or electronic transfer.

22.6 Each Host Region shall in the planning of the AAAHP conference be entitled to send one representative to one Major Conference in any Region under the AAAHP Constitution to promote and attract delegates to their Conference. This funding of one delegate shall be under the following conditions,

22.6.1 The representative must be a senior organiser of the host regions AAAHP Conference Committee or AAAHP Public Relations Officer.

22.6.2 It shall be one committee person per term of the AAAHP Committee only.

22.6.3 All funding shall be based upon reasonable accommodation.

rates, airfares, and transfers only. All other reasonable costs shall be met by the member and approved by AAAHP Committee. Quotes for travel expenses must be provided prior to any payments.

22.6.4 The representatives for the host region, will be the 2 AAAHP representatives from that state.

23 EDUCATION AND TRAINING FUND

23.1 The Society has established and maintains a separate fund account for the purposes of meeting the Aims and Objectives of this Society and as such will make available to registrants. AAAHP funds to meet or partially meet written requests for funds for continued education and training.

23.2 On July 1, each year the available funding will be allocated on a state basis. Allocation of available funding will be determined by the number of full financial members in each state as of 31 December of the preceding year.

23.3 For example, on 31 Dec 2018 there were 250 Full financial members. On 1 July 2019 AAAHP Executive Committee allocated a maximum of \$10000 to the Education & Training Fund. This gives a notional figure of \$40 per Full Financial member.

State by State breakdown (This is purely an example)

NSW/ACT 50 members @ \$40 = \$2000

QUEENSLAND 100 members @ \$40 = \$4000

VICTORIA 40 members @\$40 = \$1600

WESTERN AUSTRALIA 60 members @ \$40 = \$2400

TOTAL \$10000

23.4 All AAAHP members can apply in writing for funding/part funding up to a max of \$250 using the "Application for Funding from The Special Education Form" and must provide a copy of registration forms and content of program. This is initially approved by the State reps and then forwarded to the AAAHP Executive Committee where a majority in favour of the application is required for funding to be approved.

23.5 The applicant is refunded following (electronic) confirmation of attendance.

23.6 The successful applicant will be required to submit a short article to the E-SIG newsletter highlighting the benefit the activity has made to their CPD.

23.7 A funding request of \$120 is the equivalent of three years of an individual member's allocation (at current levels.) Consequently, State reps should be hesitant in approving any request larger than this amount and to be mindful that to maintain equity amongst all our members then it would be unreasonable for that applicant to request any further funding for three years. AAAHP Executive Committee is unlikely to approve by majority applications larger than \$120 for any individual.

23.8 Alternatively, the state representatives can initially approve an AAAHP sponsored event, where some or exceptionally all their state annual allocation is used to fund/part fund an educational event for the benefit of AAAHP members. Where this method of using the funding is opted for then the State reps must be able to identify how the AAAHP member received an enhanced benefit compared to non-members. It is imperative that AAAHP funding is used only for the benefit of AAAHP members. This must be entirely transparent and State reps are responsible for the minute details of these funding ventures. AAAHP Committee will then vote on approval. In this case where requested, monies will be paid in advance to enable the event to take place.

23.9 Annually at Conference each State through one of its representatives will be required to present to the membership how their allocation of funding was used in the previous year.

23.10 Any unused funding at the end of the financial year is returned to the Special Education Fund and cannot be accrued for use in subsequent years.

23.11 Allocation of funding is approved by the Committee annually and is dependent on the financial status of the organisation along with any other factors that the Committee interpret as influencing the ability to fund the next year.
